

Oregon Get There Challenge, Oct. 3-16

Boost workforce engagement & more!

Tap into [Oregon's Get There Challenge, Oct. 3-16](#), to boost employee engagement, retention, health and wellness, and more by leveraging remote work and low-cost commute options.

Employees can log commute option trips and remote work, plus unlock knowledge and skill-building achievements at [GetThereOregon.org](#) to earn points toward winning weekly and grand prizes.

Spread the word among your employees using turnkey materials on our online Employer Communications Toolkit at [GetThereOregon.org](#).

Why work experience & the commute matters...

“ We’re building remote work flexibility into our operations where possible for better employee work-life balance and productivity—it’s a top benefit that’s driving work satisfaction and recruitment. ”

— Eric LoPrete, Sustainability Coordinator, Washington County

“ Meeting growing product demand requires expanding our workforce. We’re supporting commute options like carpooling to make employee commutes better and build a thriving and sustainable workforce. ”

— Julia Person, Sustainability Manager, Bob’s Red Mill

“ Providing commuter and remote work benefits gives our diverse workforce flexibility in meeting their daily needs, while saving money, improving sustainability, and boosting health and wellness. ”

— Tammy Lundervold, Transportation Demand Manager, Providence Health & Services
