Vanpool for a Better Commute

get there oregon

Long commute? No problem!

Join or get a vanpool started for a money-saving and more sustainable way of getting to work. If you have a longer commute (typically 20+ miles), vanpooling is a great option. Vanpools let you share the load of your commute with a large group (typically 5-15 people).

Vanpooling Benefits:

- **Save money** on gas and vehicle maintenance
- **Enjoy time to relax** from your workday
- **Cut** your carbon footprint
- **Connect** with others

Find a Vanpool with Get There Connect:

1. Visit **GetThereOregon.org** or download the Get There Connect app
2. **Sign up** or **log in**
3. Go to **Pools** and search for **existing pools** or **create a post** to find matches and start a new one
4. Select "**Save**" and see available vanpools in your area

Use Oregon's free online **Get There Connect** tool and app to track your stats, join challenges, earn rewards, and explore commute options.
